The Fans Across America Charitable Foundation

Imagine being told that your child has a life-threatening illness.

How would your family cope with such a life altering diagnosis?

What if there was a way we could help alleviate some of the financial burdens these families face as a result of the illness so they could focus on what really matters...their child?

The Fans Across America® Charitable Foundation, a 501 (c) (3) tax-exempt organization, is an online community of sports and entertainment fans committed to providing much needed financial assistance to families with seriously ill and special needs children. In appreciation for their support, Foundation community members receive special promotional offers and discounts from Fans Across America Partners for [Professional & Collegiate Sports](#), [Restaurants & Entertainment](#), and [Retail and Services](#). Ultimately, Fans Across America unites fans, athletes, celebrities, businesses and all those committed to making a difference in the lives of these families during the most difficult times.

"It takes a lot of individuals to support and keep Fans Across America going. I am aware it is not always easy, but their love and support has given us help at a time when even a mother's strength can start to give out. Thank you all so very much."

Diana Coppoth
Joshua's mom

Family Support Provided

The Fans Across America® Charitable Foundation is committed to helping families with seriously ill and special needs children. Our **Assist-A-Family Program** allows us to provide support to as many families as possible in the following ways:

Assist-A-Family Packages: Based on the current needs of the family, Assist-A-Family packages might include any or all of the following: *non-perishable food items and toiletries; new and gently used baby and children's clothes; new and gently used toys; furniture and other household items; gift cards (i.e. groceries, household products, gas); service certificates (i.e. auto service); assistance for other life expenses (i.e. utility bills); airline tickets / miles for families to travel to distant treatments.*

Assist-A-Family Profiles: Features families that have current needs due to a child's illness and encourages the Fans Across America community to contribute specifically based on those needs.

As a 501 (c) (3) tax-exempt organization, all contributions made through the Fans Across America Charitable Foundation to assist families are tax-deductible.

For more information, please visit us online at www.fansacrossamerica.org.

Community-Marketing Model

Unlike most non-profit organizations, the Fans Across America® Charitable Foundation is a consumer-facing brand that was designed and built as a marketing conduit between our sponsors and members (consumers) to help deliver:

- *Value to our community*
- *Promotional opportunities for our sponsors and discount partners*
- *And most importantly, support to families with seriously ill children*

"I thank God everyday for sending the Fans Across America Charitable Foundation to us. Your Foundation gave my family a chance to catch our breath, something we haven't been able to do for some time now. All of you are truly heaven sent. I'm so very grateful for all you did for us. God bless all of you and please keep praying for Rosie. Much love to all."

Jackie Garcia
Rosie's mom

To achieve these Foundation objectives, Fans Across America has incorporated a relatively unique revenue model for the non-profit industry based on for-profit media principles. This revenue model enables corporate sponsors to make tax-deductible contributions to the Fans Across America Charitable Foundation and leverage our brand through community-sponsorship to reach a core consumer audience they are looking to influence (sports fans / entertainment fans / families). Our business model helps drive communications directly to consumers like most traditional B-to-C ventures. The big difference is that the Fans Across America Charitable Foundation is a 501 (c) (3) tax-exempt organization, and our purpose is to deliver hope, opportunity and support to families with seriously ill and special needs children.

A Marketing Conduit

The Fans Across America® Charitable Foundation is a conduit that connects four distinct groups for mutual benefit:

- **Families:** Fans Across America provides financial assistance to families with serious ill and special needs children, helping to relieve some of the financial burden associated with the illness so they can focus on what really matters, their child.
- **Sponsors:** In appreciation for tax-deductible contributions, Fans Across America Sponsors receive various Community-Marketing promotional opportunities on the Fans Across America web site and/or in the weekly newsletter, reaching our online community and beyond.
- **Partners:** Promotional partners receive a free Community-Marketing opportunity on the Fans Across America web site. By simply providing promotional offers and discounts to our community members, promotional partners can easily reach our online community and contribute to our mission.
- **Members:** Free to join, Fans Across America members are part of our team that helps make a difference in the lives of families with seriously ill children. In appreciation for their support, Foundation team members receive special promotional offers, discounts and other information from Fans Across America Sponsors and Partners for [Professional & Collegiate Sports](#), [Restaurants & Entertainment](#), and [Retail and Services](#).

Partnering with the Fans Across America® Charitable Foundation, our Sponsors and Partners have the opportunity to:

- Make a difference in the lives of families with seriously ill and special needs children
- Reach and influence consumers and other groups
- Generate revenue
- Be positively associated with a good cause in which people can relate
- Reach the targeted markets of sports fans, entertainment fans and families
- Generate continuous exposure with the Fans Across America community over the course of their sponsorship
- Heighten overall awareness
- Find new customers and build existing relationships
- Secure a charitable tax-deduction with the IRS

"We thank God for this Foundation, which enabled our family to continue to persevere throughout the toughest moments of our lives. God bless Fans Across America!"

"Without the support of charitable foundations such as Fans Across America, families with seriously ill children would fall into a financial abyss. What once may have been a "normal life" ends with diagnosis. Parents often have to take extended, unpaid leaves from their employment to be with their children during long hospitalizations and months of complicated treatments. The Fans Across America® Charitable Foundation helps remove a significant portion of this financial burden, freeing families to focus on their child's health."

**Gina DeGraw, Social Worker
Phoenix Children's Hospital**

Distribution of Sponsor Contributions

The Fans Across America Charitable Foundation is dependent on the support of its Sponsors to help as many families with seriously ill and special needs children as possible. Sponsor participation not only allows us to help those families today, it also helps ensure that Fans Across America solidifies its foundation to have an even greater impact tomorrow.

Based on projections, the following is an estimated breakdown of the distribution of Sponsor contributions over the next 4-plus years:

- *Percentage to Families:* The amount of the Sponsor contribution designated to support Foundation families
- *Percentage to Administrative Fees:* The amount of the Sponsor contribution designated for commissions and expenses related to the sale and fulfillment of Sponsorships
- *Percentage to Foundation:* The amount of the Sponsor contribution designated for Foundation growth and stability
